WACO IS SET TO WELCOME STUDENT TOURISTS!

The Waco Convention & Visitors Bureau (CVB) has announced the creation of a one-stop-shopping experience for educators planning field trips and student tours. The Teacher Resources page, located at www.wacocvb.com/teachers.asp, gives contact information, with links to specific educational tours and programs.

The Waco CVB's Tourism experts are happy to assist student tour groups with specific curriculum needs, including TEKS alignment (Texas Essential Skills and Knowledge), create a custom student itinerary, provide step-on-guides during tours, and other services.

"We are very excited to be offering this service to student tour groups," explained Elizabeth A. Taylor, Director for the Waco CVB. "The Waco CVB is happy to work with educators, student tour group leaders and our attractions to facilitate a fun and educational tour."

For more information on assistance with a student tour or the Teacher Resources website page, contact Susan Morton, Tourism Manager, at 750-8610 or e-mail her at susanm@ci.waco.tx.us.
